

Subject: Request for Status Update on Project

Dear Tops Team,

I hope this message finds you well.

As I continue to familiarize myself with my role as a Web Developer at Tops Technologies, I wanted to reach out to request a status update on Project. Understanding the current progress and any upcoming deadlines will help me align my contributions effectively.

If there are any challenges or areas where I can assist, please let me know. I'm eager to help and ensure we stay on track.

Thank you for your time, and I look forward to your update.

Best regards,

Bhumit Shah

Web Developer - Trainee
